REQUEST FOR CORRECTED FILING RECEIPT

Sir:

Please correct the error in *Filing Date*. The correct date should be *October 29, 2003*. In support of this correction, attached is a copy of the Express Mail Receipt (EL 615 430 379 US) date stamped by the U.S. Post Office as received on October 29, 2003; a copy of the Express Mail filing log with certification under 37 CFR 1.10 verifying a filing date of October 29, 2003; and a copy of the USPS delivery confirmation.

The USPS mistakenly wrote "10-26-03" in the "Date In" block on the Express Mail Receipt, rather than the correct date of October 29, 2003 (verified by the USPS date stamp), and the USPTO mistakenly used 10-26-03 as the filing date, rather than the date the filing was actually transmitted via Express Mail.

There is no fee due under 37 C.F.R. § 1.19(h).

Issuance of a corrected Filing Receipt is respectfully requested.

Respectfully submitted,

Dated:
